COMMUNICATION

Mail Stop – Issue Fee  
Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Communications Regarding Rescission Of Nonpublication Request and/or Notice of Foreign Filing mailed to us on November 2, 2005 and November 23, 2005, the Applicants submit that a Request for Non-Publication was NOT filed with the subject patent application. As can be seen on the attached copies of the cover sheet for the subject patent application and the return stamped post card (item A and B), there was no request for non-publication.

Upon receipt of the filing receipt (item C), it was noticed that the United States Patent and Trademark Office erroneously entered that a request for non-publication had been made. In response to the incorrect filing receipt, a Request to Rescind Previous Non-Publication Request was submitted on March 21, 2002, (items D and E).

Since no Request for Non-Publication was ever submitted to the Patent Office, this case should not be considered abandoned and therefore a Petition to Revive is not required,

Respectfully submitted,

YOUNG & BASILE, P.C.
